Date	Description	Amount (s)	Balance (s)
04 Apr	ATM withdrawal: The Belt	-86,400	708,823,177
	The withdrawal shown on the 4th was booked a day after it came out of the machine, so its figure has been moved back to the day it was made. Nothing else on the statement has changed, and the difference is shown in the correction column. Ref. CIBT-3003-497E-1		
06 Apr	Transfer to joint account	-2,370,320	706,452,857
	At The Belt a joint account can be used only while both holders are within one corridor of each other. The rule is old and is applied with patience; the statement goes to whichever holder happens to be nearest the window. Ref. CIBT-3003-EFA4-4		
11 Apr	ATM withdrawal: The Belt	-259,200	706,193,657
	A small withdrawal of 259,200 is taken every 29 days for the upkeep of a locker at Hall E. The locker has not been opened in that time. The sum is paid on the day the locker's own clock says it is due. Ref. CIBT-3003-E459-9		
24 Apr	Payroll credit: the Authority Records Office	+3,950,533	710,144,190
	The Authority Records Office's office asked for its wages to be held until its own calendar had caught up with the Bank's. It did, on the 24th, and the wage was released with the interest for the wait added to it. Ref. CIBT-3003-9BE5-3		
29 Apr	Slippage fee (The Belt, 5 transfers)	-3,000	710,141,190
	Your 5 crossings waited at the Belt relay for 28 Standard days while a new operator asked the relay for its own reading before touching anything. The reading was written on the transfer slip, and the slip is the only record of it. The crossings have since gone through, and the slippage is charged for the crossing and not the wait. Ref. CIBT-3003-0D88-6		
29 Apr	Transfer to own account: The Belt	-23,583,845	686,557,345
	The rate applied to this sundry was the rate of the previous quarter, which the teller noticed and reported to Cleo Ellsworth. The difference of 0.30 seconds has been credited back to you in full, and the old rate has been withdrawn from the table it came from. Ref. CIBT-3003-3247-6		
30 Apr	Interest at 4.20% APY	+2,481,183	689,038,528
	Every quarter you ask what the interest would have been if it had been paid out, a question the Bank answers in full and that you have never acted on. The answers are kept in a folder with your name on it, and the folder is getting thick. Ref. CIBT-3003-F270-1
