Period 1–31 October 3004
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
769,996,184 s	**+6,645,519 s**	**-15,023,501 s**	**761,618,202 s**

Date	Description	Amount (s)	Balance (s)
05 Oct	Transfer to joint account	-2,370,320	767,625,864
	The transfer on the 5th was 31 days late, because Quill Prendergast had gone to London Sector for the week and the joint account requires the second signature at Hall E. The signature was given by post, which the Bank accepted on this occasion only. Ref. CIBT-3004-4592-1		
20 Oct	Transfer to own account: London Sector	-12,391,281	755,234,583
	Duty on a gift of 12,391,281 to Quill Prendergast, set by the Authority and paid at the counter. The gift was received without remark, and the duty was paid with the sort of reluctance the Authority has come to expect from this branch. Ref. CIBT-3004-83B3-3		
25 Oct	Payroll credit: the Authority Records Office	+3,950,533	759,185,116
	Your wage was credited a day early at London Sector, because the firm's office there had decided that it would rather pay than explain. The Bank has taken the early day back out of the next wage, and the firm has asked that the next wage be early too. Ref. CIBT-3004-AE68-3		
28 Oct	ATM withdrawal: London Sector	-259,200	758,925,916
	Withdrawals at the Titan branch are paid in Titan hours, which run long, and the machine rounds them to the nearest Standard hour. Your 0.969 was rounded in your favour, which the machine calls a policy and the custodian calls a habit. Ref. CIBT-3004-E938-2		
30 Oct	Slippage fee (London Sector, 3 transfers)	-2,700	758,923,216
	The Teller says the fee is small enough to be overlooked and exact enough to be disputed, which she considers the ideal condition for a fee. Ref. CIBT-3004-FAB9-7		
31 Oct	Interest at 4.20% APY	+2,694,986	761,618,202
	The Teller weighed the interest slip on the branch's paper scale, which is not calibrated for money, and reports that the slip is heavier than the sum it carries. She considers this a fair division of the work. Ref. CIBT-3004-1088-8

November 3003 October 3004

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
