Date	Description	Amount (s)	Balance (s)
05 Aug	Payroll credit: the Authority Records Office	+3,950,533	876,664,322
	An instalment from the Authority Records Office on the 5th, paid into Hall E. The employer's office has asked us to note that the figure includes a travel allowance for 61 transfers between stations. Ref. CIBT-3008-8DE1-5		
10 Aug	Transfer to own account: Lagos Sector	-44,579,970	832,084,352
	The Authority Records Office has asked that its transfers to this account be made in days rather than seconds, as its wages have always been paid. The conversion was made at the posted rate, and its finance office has written to say the figure is correct to the second. Ref. CIBT-3008-F525-9		
13 Aug	Transfer to joint account	-2,370,320	829,714,032
	Joint interest is credited in equal shares. The holders have asked whether a share of a share is still a share, and the Bank has said yes, to the second. Ref. CIBT-3008-F13A-8		
14 Aug	ATM withdrawal: Lagos Sector	-86,400	829,627,632
	You take the cash-time in the smallest denomination the machine offers. The custodian has begun to set a few of that kind aside in the tray for you, and says this is not a service and must not be entered as one. Ref. CIBT-3008-6385-7		
17 Aug	ATM withdrawal: Lagos Sector	-86,400	829,541,232
	The local office at Lagos Sector dates its withdrawals by its own sun, so the 17th on your receipt is a day earlier here. Interest runs from the earlier date, which the local office considers the more polite of the two. Ref. CIBT-3008-7776-2		
31 Aug	Interest at 4.20% APY	+3,054,498	832,595,730
	Earned at Lagos Sector, the interest crossed to us in 28 days and came out the same at the far end. Nothing was added on the way, which the relay that carried it regards as the purpose of a relay. Ref. CIBT-3008-735B-8

September 3007 August 3008

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
