Date	Description	Amount (s)	Balance (s)
01 Aug	Transfer to own account: Vancouver Sector	-64,389,182	556,108,698
	The transfer from Quill Prendergast was keyed with the sender's account in the recipient's field, which is why it sat at the Vancouver Sector desk for 30 days. The field has been corrected, and the sum has reached 8564-3113-8564 as sent. Ref. CIBT-3011-5C1F-6		
05 Aug	Payroll credit: the Authority Records Office	+3,950,533	560,059,231
	The wages from the Authority Records Office include the allowance for the long shift at Vancouver Sector. It is paid in days, and the employer has asked that it appear on its own line, so that the staff who earn it can find it without a search. Ref. CIBT-3011-682D-5		
07 Aug	Slippage fee (Vancouver Sector, 5 transfers)	-1,500	560,057,731
	You have the habit of sending a small sum just before the relay's lunch hour. The reconciler asks that you stop, since the relay is quieter at that hour and the drift is smaller; the fee on this month's 5 crossings is 1,500 seconds regardless. Ref. CIBT-3011-9E8B-5		
19 Aug	ATM withdrawal: Vancouver Sector	-172,800	559,884,931
	"The machine is always right," the Teller says, "which is why nobody thinks to thank it." She says this to everyone who draws from Vancouver Sector, and has not yet been asked to stop. Ref. CIBT-3011-6A06-8		
19 Aug	Transfer to joint account	-2,370,320	557,514,611
	The mandate was opened at Hall E, and the account is now run from Vancouver Sector, where the local office keeps the original in a drawer. The two offices share one signature, which travels between them on the relay and arrives a little worn. Ref. CIBT-3011-5B41-7		
27 Aug	ATM withdrawal: Vancouver Sector	-259,200	557,255,411
	The 3 Standard days was ready at Vancouver Sector after a 9-minute pause, because the concourse's power was being moved to the relay's supply. The power was restored, and so was your cash. Ref. CIBT-3011-D0FF-3		
31 Aug	Interest at 4.20% APY	+2,171,742	559,427,153
	The Authority Records Office pays a small sum into this account each month, which it calls interest and the Bank calls a receipt. The two words have been agreed to refer to the same second. Ref. CIBT-3011-D138-1		

Closing balance, month by month

September 3010 — August 3011

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
