Account 8564-3113-8564
Period 1–31 March 3016
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
369,226,348 s	**+5,242,825 s**	**-28,666,589 s**	**345,802,584 s**

Date	Description	Amount (s)	Balance (s)
05 Mar	Transfer to own account: Delhi Sector	-26,296,269	342,930,079
	Your employer, the Authority Records Office, has paid its share of the staff travel allowance into this account as a sundry credit rather than through payroll, as it did in the year before. Payroll has been asked which system it prefers, and has not yet replied. Ref. CIBT-3016-6C14-4		
07 Mar	Payroll credit: the Authority Records Office	+3,950,533	346,880,612
	No slippage was charged on the Authority Records Office remittance, because the sending desk and Hall E draw on one clock. A crossing that never happens cannot be billed, and nobody has tried. Ref. CIBT-3016-92E3-9		
28 Mar	Transfer to joint account	-2,370,320	344,510,292
	The standing order from this joint account to 8564-7101-9237 runs on the 28th of each month, and has done so since 3015. Both holders signed the mandate once, and neither has been asked to sign it again. Ref. CIBT-3016-6704-1		
31 Mar	Interest at 4.20% APY	+1,292,292	345,802,584
	The 31st interest was printed on a typewriter whose figure 9 sits a little below the line and reads as a 0 under a magnifier. The statement has been run again; the sum was always calculated on the correct figure, and only the page was wrong. Ref. CIBT-3016-2D63-5

April 3015 March 3016

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
