Period 1–31 March 3017
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
594,432,863 s	**+6,031,048 s**	**-44,681,046 s**	**555,782,865 s**

Date	Description	Amount (s)	Balance (s)
01 Mar	Payroll credit: the Authority Records Office	+3,950,533	598,383,396
	A standing salary credit from the Authority Records Office to 8564-3113-8564 on the 1st of each month, set up when the firm had one office and one clock. It now has 49 offices, and none of them has been asked to move the date. Ref. CIBT-3017-EC73-5		
09 Mar	Slippage fee (Titan, 3 transfers)	-2,700	598,380,696
	The 29-day hold on these transfers follows from a question the Standards office has not yet answered: which of two clocks is the reference when both say so. Until it does, the Bank keeps the seconds and, as it says, is at peace with waiting. Ref. CIBT-3017-F0D2-9		
10 Mar	Transfer to own account: Titan	-42,308,026	556,072,670
	The auditors will find the sundry twice: once in the Head Office register and once in the Titan register, which files it under a number one lower. Both entries describe the same transaction, and the auditors have agreed to keep to the lower number, since it is the one they can pronounce. Ref. CIBT-3017-194B-7		
25 Mar	Transfer to joint account	-2,370,320	553,702,350
	Quill Prendergast's pay from the Authority Records Office was divided between the two holders on the 25th, as the mandate provides. The division was made by the Authority Records Office and not by either holder, and both have accepted the arithmetic. Ref. CIBT-3017-7C8B-7		
31 Mar	Interest at 4.20% APY	+2,080,515	555,782,865
	A standing order sends a share of the interest to 8564-7101-9237 on the first of every quarter. The joint account has never returned it, never asked why it arrives, and never been told to stop, so the share continues, one quarter at a time. Ref. CIBT-3017-2A81-3

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
