Date	Description	Amount (s)	Balance (s)
09 Oct	ATM withdrawal: New Orleans Sector	-86,400	800,742,675
	Each month on the 9th the machine at New Orleans Sector pays out the standing One Standard day, and each month the custodian leaves the bundle on the top shelf with your name on a slip. The slip has never needed to be moved. Ref. CIBT-3024-C79F-0		
11 Oct	Payroll credit: the Authority Records Office	+3,950,533	804,693,208
	The Authority Records Office remittance was held 28 days at New Orleans Sector, where the office had opened its quarter-end audit and would not release money while the books were open. Nothing is owed on the wait; the wages sat in the suspense ledger, and the interest on them has been paid. Ref. CIBT-3024-15A2-8		
15 Oct	Transfer to joint account	-2,370,320	802,322,888
	Joint balances are divided at the close of each day, and any odd second goes to the holder named first on the mandate. This month the odd second went to Quill Prendergast, because both holders asked in writing that it should. Ref. CIBT-3024-9AC4-2		
27 Oct	Transfer to own account: New Orleans Sector	-42,063,159	760,259,729
	Your shift allowance, paid in days, was converted at the posted rate. The employer's own rate was one second higher, and the difference is for the employer to settle. Ref. CIBT-3024-E70C-0		
30 Oct	Slippage fee (New Orleans Sector, 5 transfers)	-3,000	760,256,729
	Auditors checked the 5 crossings on this account against both clocks and found the fee correct to the second. The one figure they could not account for was their own, which they have since corrected. Ref. CIBT-3024-A8F9-9		
31 Oct	Interest at 4.20% APY	+2,802,901	763,059,630
	New Orleans Sector rounds its interest down to the whole day and sends the remainder to the suspense line, where it is held for a depositor not yet identified. Your share of the remainder has been credited to this account as a courtesy, and the branch asks that it not be spent in one place. Ref. CIBT-3024-1248-8

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
