Opening balance	Credits	Debits	Closing balance
897,219,414 s	**+7,090,800 s**	**-32,863,364 s**	**871,446,850 s**

Date	Description	Amount (s)	Balance (s)
04 Mar	Transfer to own account: Oakland Sector	-30,492,744	866,726,670
	A sundry raised on the Europa station is held until the ice over the relay is judged safe to cross. The station's officers judge it by walking out on it, and the charge of 0.30 s is posted on the day they come back. Ref. CIBT-3027-ED55-7		
07 Mar	Slippage fee (Oakland Sector, 1 transfers)	-300	866,726,370
	The fee on your statement was printed in minutes where the relay's tally says seconds. The tally has been checked by hand. The officer found the printed figure correct in the relay's unit and wrong in ours, and the statement now shows the fee in seconds only. Ref. CIBT-3027-A64C-2		
15 Mar	Payroll credit: the Authority Records Office	+3,950,533	870,676,903
	The rounding on this wage was done by the employer, not the Bank, and the Bank has accepted it on the principle that a wage knows its own sum better than a clerk does. Ref. CIBT-3027-C4C5-3		
16 Mar	Transfer to joint account	-2,370,320	868,306,583
	Each holder's share of the joint interest is rounded to the nearest second before the two are added together, so the total can differ from the figure on either counterfoil by one. The difference is carried under Unallocated Seconds. Ref. CIBT-3027-1258-2		
31 Mar	Interest at 4.20% APY	+3,140,267	871,446,850
	Posting was held 28 days, because the day the interest fell on was declared a holiday at Oakland Sector after the schedule had been printed. The holiday was observed, the schedule was not, and the interest followed once both had caught up. Ref. CIBT-3027-1068-1

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
