Date	Description	Amount (s)	Balance (s)
03 Aug	Slippage fee (London Sector, 3 transfers)	-2,700	16,972,373
	Auditors checked the 3 crossings on this account against both clocks and found the fee correct to the second. The one figure they could not account for was their own, which they have since corrected. Ref. CIBT-2964-22E1-1		
05 Aug	Deposit: Hall E	+717,129	17,689,502
	You write the amount on the envelope in figures and then again in words, and the words always run one letter longer than the figures would need. The officer reads the words. The figures have never once been wrong, and the Bank would not presume to tell you how to spell. Ref. CIBT-2964-4931-2		
06 Aug	ATM withdrawal: London Sector	-86,400	17,603,102
	A receipt for 86,400 was found folded inside the tray at London Sector, unclaimed. It has been placed in your file, where it is safer than it was. Ref. CIBT-2964-35BF-3		
14 Aug	Payroll credit: Brymar College	+163,135	17,766,237
	The wage from Brymar College lands at Hall E a few minutes before the business day opens, and the same officer logs it every month. The Bank has noticed the pattern and has not thought it needed a name. Ref. CIBT-2964-24E0-2		
15 Aug	Mech Veterans' Time Pension	+51,958	17,818,195
	Reconciled to the schedule on the 15th, this pension agrees with the veterans' register to the last whole day. The reconciliation sheet runs to one line, which the auditors have described as economical. Ref. CIBT-2964-E82A-3		
29 Aug	Transfer to joint account	-97,881	17,720,314
	On London Sector each holder receives a statement printed at a different height, so the paper is never read in the same air twice. The Bank has checked that the figures agree at both heights, and they do. Ref. CIBT-2964-808D-1		
31 Aug	Interest at 3.30% APY	+46,681	17,766,995
	You have not withdrawn your interest in any year since 2962, and it has been credited to your balance at the close of every Pallas Ring 10 day. It now exceeds the principal you first deposited, which you have asked us to confirm for the file. Ref. CIBT-2964-5EFE-4
