Opening balance	Credits	Debits	Closing balance
25,068,088 s	**+283,974 s**	**-964,367 s**	**24,387,695 s**

Date	Description	Amount (s)	Balance (s)
01 Feb	Payroll credit: Brymar College	+163,135	25,231,223
	The Bank has not billed for money that arrived on the office's rest day, which the office calls restful. Ref. CIBT-3003-DBB6-2		
18 Feb	Turbulence Cover	-13,852	25,217,371
	The carrier's log calls the turbulence a squall and the Bank's log calls it a sigh. The claim has been paid as a squall, the policy having no line for sighs, and the Bank has asked the carrier to amend its log to the same word. Ref. CIBT-3003-3539-0		
20 Feb	Mech Veterans' Time Pension	+51,902	25,269,273
	Every quarter a sum is taken from the pension toward a memorial bench at Vancouver Sector, paid at the rate of one bench a century. The bench has not yet been begun, and the Office will not say so in the statement. Ref. CIBT-3003-F491-6		
21 Feb	Transfer to joint account	-97,881	25,171,392
	For many years you and Bram Blackwood paid into the joint account in coins, at the same counter, one after the other. The officer now sets out two dishes before you arrive, and asks you not to thank them for it. Ref. CIBT-3003-9E45-9		
27 Feb	Transfer to own account: Vancouver Sector	-852,634	24,318,758
	The sundry was counted twice at Hall E, first as 852,634 and then, after a recount of the coins, as a smaller sum. The first total had been kept in an officer's head, and the officer has since written it down. Ref. CIBT-3003-E5D0-6		
28 Feb	Interest at 3.30% APY	+68,937	24,387,695
	Interest on a balance of less than a whole second is not rounded at all, the Bank's view being that a small sum is already close enough to the truth. The figure above is therefore exact. Ref. CIBT-3003-F671-6

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
