Date	Description	Amount (s)	Balance (s)
25 Jun	Payroll credit: Belt Ore Consolidated	+961,966	225,922,053
	Wages from Belt Ore Consolidated for a client at Ganymede are paid in the client's own unit and converted at a rate the client's office has asked us to keep private. The rate is not printed on this line, and nothing is missing from the sum. Ref. CIBT-2995-119F-2		
26 Jun	Transfer to own account: Ganymede	-33,008,980	192,913,073
	On Europa the sundries are paid into a tin box under the ice, which the local office opens once a fortnight. The office calls this a ceremony, and the Bank posts the sum on the day the box is opened, which is the only day the office keeps its own time. Ref. CIBT-2995-BD7F-6		
30 Jun	Interest at 3.90% APY	+731,120	193,644,193
	On the 30th the rate at Ganymede was confirmed only after the local office had closed its own year, which it does in a different season, so the interest was posted 29 days late. The rate was 3.90% APY on the day the interest was earned, as the posted table shows. Ref. CIBT-2995-7322-3

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
