Opening balance	Credits	Debits	Closing balance
183,898,924 s	**+12,214,659 s**	**-345,900 s**	**195,767,683 s**

Date	Description	Amount (s)	Balance (s)
11 Aug	Payroll credit: Belt Ore Consolidated	+961,966	184,860,890
	Callisto's day is longer than the Standard day, so the Belt Ore Consolidated credit was split across two posting dates. No fee is taken for the split. The line carries a small mark beside it, which the officers say is the day's own handwriting. Ref. CIBT-2995-3579-3		
19 Aug	Slippage fee (Luna, 1 transfers)	-300	184,860,590
	Two of your 1 transfers reached the relay in the same second and were charged once, which saved 2,100 seconds. The relay has asked to keep the saving for its own use, and the Bank has declined on the relay's behalf. Ref. CIBT-2995-AB89-1		
22 Aug	ATM withdrawal: Luna	-259,200	184,601,390
	The machine pays out in whole units of day and keeps the fraction, which is credited to the account at the next close. On the 22nd the fraction was 0.964 day, and it has been added to your balance. Ref. CIBT-2995-71F9-8		
25 Aug	ATM withdrawal: Luna	-86,400	184,514,990
	The machine offered your balance in both units, which it does without being asked. You declined the second, and it has noted your refusal in the same tone it uses for everything. Ref. CIBT-2995-19BB-5		
29 Aug	Deposit: Hall E	+10,655,022	195,170,012
	The envelope was unsealed at the counter and a second deposit slip fell out, for the same sum, dated a year earlier. The Teller filed it under that earlier year, where the sum was also received, and has not asked where the year went. Ref. CIBT-2995-55FD-1		
31 Aug	Interest at 3.90% APY	+597,671	195,767,683
	The line for this period should have appeared on the previous page. The entry has been moved; the amount was correct and is unchanged. Ref. CIBT-2995-A304-3		

Closing balance, month by month

September 2994 August 2995

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
