Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
138,018,303 s	**+1,410,525 s**	**-14,770,762 s**	**124,658,066 s**

Date	Description	Amount (s)	Balance (s)
12 Jul	Payroll credit: Belt Ore Consolidated	+961,966	138,980,269
	You count the Belt Ore Consolidated credit at the counter in whole days, then ask for the fraction in seconds, and the officer gives it to you with the air of someone who has been asked the same question for years. Ref. CIBT-3000-CD61-3		
13 Jul	Slippage fee (Singapore Sector, 6 transfers)	-5,400	138,974,869
	You send your transfers on the first morning of the Standard week, before the concourse has filled, and the relay at Singapore Sector has learned to expect them. The fee is no lower for the hour, but the relay's manners are better, and the Bank records that too. Ref. CIBT-3000-17AB-0		
18 Jul	Transfer to own account: Singapore Sector	-14,506,162	124,468,707
	The Teller describes this sundry as a sum that exists to be paid, and asks that it be paid promptly so that she can go to lunch. She adds that the lunch is also a sum, and that she has paid it in advance. Ref. CIBT-3000-CF8F-8		
29 Jul	Memory Vault: box 15-561, quarter	-259,200	124,209,507
	Rental on box 15-561, shared with Bram Quaresma under the joint instruction on file. Both holders may open the box, and the custodian asks that you agree the day before arriving. A second visit in the same quarter carries an allowance for one second, rounded up, with thanks. Ref. CIBT-3000-4524-2		
31 Jul	Interest at 3.90% APY	+448,559	124,658,066
	You have left this balance untouched for the whole period, which the Bank records as a kind of patience. Interest has accrued in your favour at every second of it, and the account has not once asked to be consulted. Ref. CIBT-3000-5008-0		

Closing balance, month by month

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
