Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
103,037,920 s	**+27,861,577 s**	**-263,700 s**	**130,635,797 s**

Date	Description	Amount (s)	Balance (s)
04 Nov	Slippage fee (New Orleans Sector, 5 transfers)	-4,500	103,033,420
	You fold the slip once, lengthwise, and slide it into the back of the passbook without reading the total, as you have done every month since 3000. The officer reads the total for you and then folds the passbook back, so that each of you has done one half of the job. Ref. CIBT-3003-18E1-1		
08 Nov	ATM withdrawal: New Orleans Sector	-259,200	102,774,220
	Where the machine's denomination falls short of a request, a half is paid up, not down. This withdrawal fell exactly on the half, and was paid up. Ref. CIBT-3003-3A96-5		
11 Nov	Payroll credit: Belt Ore Consolidated	+961,966	103,736,186
	Auditors' note: the Belt Ore Consolidated wages for 8 periods were reconciled to the second against the employer's own hand-kept ledger. The auditors describe the ledger as slow, careful and oddly moving, and have no further query. Ref. CIBT-3003-10D5-6		
22 Nov	Deposit: Hall E	+26,564,738	130,300,924
	You bring your savings in coin each month and count them out in piles of ten, which the window has come to regard as the true statement of your savings. The statement has never once disagreed with the piles. Ref. CIBT-3003-B952-4		
30 Nov	Interest at 3.90% APY	+334,873	130,635,797
	Interest for 3001, carried over from the old schedule. Interest for the first half of the month was calculated on that schedule, and the second half on the new one. Ref. CIBT-3003-349D-6		

Closing balance, month by month

December 3002 November 3003

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
