Period 1–31 December 3003
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
130,635,797 s	**+21,933,811 s**	**-178,200 s**	**152,391,408 s**

Date	Description	Amount (s)	Balance (s)
08 Dec	Slippage fee (Mars Station, 9 transfers)	-5,400	130,630,397
	For the auditors: the slippage on 9 crossings was checked against the relay's log, the Settlement Reserve's copy and the branch's own record. The three agree on the fee and disagree on the crossings, and the auditors have asked which is right. The crossings are. Ref. CIBT-3003-521F-0		
18 Dec	Payroll credit: Belt Ore Consolidated	+961,966	131,592,363
	The slippage fee of 0.30 has been waived on this credit from Belt Ore Consolidated, the remitter and this branch having been on the same second for the whole transfer. A waiver of this kind is noted in the ledger and is not a precedent. Ref. CIBT-3003-99C8-5		
23 Dec	ATM withdrawal: Mars Station	-172,800	131,419,563
	A fee of 0.30 s was charged on this withdrawal, rounded up to the next whole second as the schedule requires. The schedule rounds the other way for sums under one sol, which is why the figure on your receipt and the figure on this line do not always agree. Ref. CIBT-3003-B225-7		
26 Dec	Deposit: Hall E	+20,547,279	151,966,842
	Each deposit you make at the Hall E window arrives in a paper wrapper folded at both ends, the way the window taught you in 2999. You have never asked for the wrapper back, and the officers now unfold it without being asked. Ref. CIBT-3003-3771-8		
31 Dec	Interest at 3.90% APY	+424,566	152,391,408
	Interest on the 31st fell exactly on a half-second and was rounded toward whichever holder came next in the register. The officer keeps that rotation in pencil, and this time the pencil was in your favour, which the officer records without comment. Ref. CIBT-3003-4729-2

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
