Date	Description	Amount (s)	Balance (s)
08 May	Transfer to own account: Lagos Sector	-914,020	22,547,794
	The sundry was paid out again to Zeno Bellweather the same afternoon it was received, which the Bank regards as a transfer that wished to look like a sundry for the length of one afternoon. It has been treated as a transfer. Ref. CIBT-2995-085C-1		
13 May	Payroll credit: Cloudport Aerostat Lines	+204,167	22,751,961
	No fee was charged on the Cloudport Aerostat Lines credit, which arrived as one envelope with the staff list enclosed. The Bank does not charge for a list, and the Teller read it to see whether a fee was owed. It was not. Ref. CIBT-2995-F839-1		
13 May	Turbulence Cover	-24,726	22,727,235
	The Teller remembers the day this policy was taken out, because the carrier's agent arrived early and was sent to the wrong counter. She showed him the right one anyway, and he thanked her for the error. Ref. CIBT-2995-A791-3		
15 May	Slippage fee (Lagos Sector, 9 transfers)	-2,700	22,724,535
	Every transfer you send carries the same short note, "as before". The relay has taken the note as a full instruction since 2991, and has never asked what the before was. Ref. CIBT-2995-422F-9		
19 May	Transfer to joint account	-122,500	22,602,035
	The 19th credit was posted to 8564-4090-1663 in error and has been moved across to the joint account. The holders' names are unchanged, and the figure is the one agreed at the counter. Ref. CIBT-2995-0FB7-6		
31 May	Interest at 3.40% APY	+66,475	22,668,510
	"You are the only holder I have seen who counts the interest before the cash," the Teller says. "I have told the Bank. The Bank has told me to say the cash is right as well." Ref. CIBT-2995-D63E-9

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
