Period 1–30 November 2995
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
15,111,470 s	**+1,278,149 s**	**-146,583 s**	**16,243,036 s**

Date	Description	Amount (s)	Balance (s)
02 Nov	Payroll credit: Cloudport Aerostat Lines	+204,167	15,315,637
	Asked whether the Cloudport Aerostat Lines credit was the usual sum, the Teller said it was the usual sum for a depositor who had never yet asked for anything extra. Which of the two was unusual has been left on the file. Ref. CIBT-2995-136A-6		
08 Nov	Deposit: Hall E	+1,031,167	16,346,804
	The deposit was posted in days and shown in seconds, the figures having been transposed on the slip. The sum is correct, and the statement now shows both. Ref. CIBT-2995-B497-7		
18 Nov	Turbulence Cover	-18,683	16,328,121
	Premium for a route across the Venus lakes, where the carrier's boats are held at dock whenever the weather turns. The surcharge for the lakes is shown on its own line below, so that it can be disputed separately. Ref. CIBT-2995-A84F-0		
19 Nov	Transfer to joint account	-122,500	16,205,621
	The auditors have recorded that the two halves of this joint account agree to the same second as of the 19th, which they describe as the first time the halves have matched without being asked to. Ref. CIBT-2995-0DA6-2		
25 Nov	Slippage fee (Venus, 9 transfers)	-5,400	16,200,221
	The fee is 5,400 seconds, and the Teller would like it noted that she has been paid in seconds for longer than in anything else, and does not feel the worse for it. Ref. CIBT-2995-FFA5-5		
30 Nov	Interest at 3.40% APY	+42,815	16,243,036
	The statement was held at Hall E for 29 days while the posted rate was read aloud at the window. It was read twice, by two officers who had not been told about each other, and both readings agreed. Ref. CIBT-2995-031C-2

December 2994 November 2995

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
