Date	Description	Amount (s)	Balance (s)
04 Dec	Slippage fee (Bronx Sector, 2 transfers)	-1,200	16,241,836
	The fee on your crossings is worked out per whole second of difference, and the difference on this route hardly ever changes. The Bank therefore set the fee once and left it, and the officer says there is nothing further to reconcile. Ref. CIBT-2995-8495-5		
09 Dec	Transfer to joint account	-122,500	16,119,336
	The transfer waited 28 days for the second holder's signature, which had to be witnessed at Bronx Sector and sent back by the next ship. The sum is the one both holders agreed before the slip went out. Ref. CIBT-2995-5FBB-2		
11 Dec	Deposit: Hall E	+2,342,175	18,461,511
	A regular transfer from 8564-4090-1663 into this account has been made on the 11th of every month since 2994. You arranged it in person. The officer who set it up has since retired and left the instruction in a drawer. Ref. CIBT-2995-00B9-6		
20 Dec	Turbulence Cover	-14,176	18,447,335
	The policy names Cloudport Aerostat Lines as second insured on your journeys to Bronx Sector. The second insured has never once been delayed, which the underwriters find unnerving in an insured party. Ref. CIBT-2995-DAB0-4		
27 Dec	Payroll credit: Cloudport Aerostat Lines	+204,167	18,651,502
	Cloudport Aerostat Lines rounds each month's pay down and each year's pay up, which is the only arrangement under which the year comes out even. This month is an ordinary month, and it was rounded down. Ref. CIBT-2995-CF3E-4		
31 Dec	Interest at 3.40% APY	+46,021	18,697,523
	The first deposit on this account came in a purse with two clasps, one of them mended, and the Bank still has the container on file. It is the only part of that deposit that was never credited. Ref. CIBT-2995-DFA7-5

January 2995 December 2995

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
