Date	Description	Amount (s)	Balance (s)
04 Mar	Payroll credit: Cloudport Aerostat Lines	+204,167	33,048,534
	When a wage is paid in halves of a day, the half left over goes to whichever pay period is the shorter. This month is the shorter one, so the 0.973 is yours, and it has been posted to you. Ref. CIBT-3003-B31A-9		
14 Mar	ATM withdrawal: Lagos Sector	-86,400	32,962,134
	The sum shows 0.985 of a day less on this statement than it was taken for, because the machine rounds to the nearest whole day and the Bank rounds the receipt down. Both figures are shown, and neither is wrong. Ref. CIBT-3003-A109-7		
21 Mar	Transfer to own account: Lagos Sector	-1,825,851	31,136,283
	Sundry adjustment of 1,825,851, rounded to the nearest whole day as the rule requires. The 0.977 of a day that was not adjusted stays where it was, which the officer agreed was the right place for it. Ref. CIBT-3003-1E12-5		
24 Mar	Transfer to joint account	-122,500	31,013,783
	The two holders keep one pen at the counter and take turns to sign with it. The officer records each signature by the colour of the ink and has never yet had to guess whose was whose. Ref. CIBT-3003-7EB7-3		
29 Mar	ATM withdrawal: Lagos Sector	-172,800	30,840,983
	Taken out on the morning Cloudport Aerostat Lines posted your pay, at Lagos Sector. Cash taken on the day wages arrive is, the officer on the concourse says, the oldest arrangement on the platform, and the machine has never asked for an explanation. Ref. CIBT-3003-4E75-7		
31 Mar	Interest at 3.40% APY	+93,059	30,934,042
	Cloudport Aerostat Lines has asked that interest on its payroll float be credited to your account rather than its own, and the request has been carried out. The float is small, and the difference this period was 93,059. Ref. CIBT-3003-5859-7

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
