Opening balance	Credits	Debits	Closing balance
34,979,818 s	**+2,338,185 s**	**-235,968 s**	**37,082,035 s**

Date	Description	Amount (s)	Balance (s)
07 Oct	ATM withdrawal: Nairobi Sector	-86,400	34,893,418
	The quarterly draw of One Standard day at Nairobi Sector is paid to the holder in the presence of nobody. The machine has been asked to wait for a witness, and has declined on the grounds that it is one. Ref. CIBT-3003-936D-8		
10 Oct	Turbulence Cover	-25,868	34,867,550
	Underwriters asked the carrier what the turbulence had been. The carrier waited for the underwriters to say what they wanted it to have been. The matter was settled when the holder pointed out that the delay was itself a turbulence, and the policy covers it. Ref. CIBT-3003-C615-1		
15 Oct	Payroll credit: Cloudport Aerostat Lines	+204,167	35,071,717
	The Cloudport Aerostat Lines pay reached Hall E in a bundle of envelopes, one for each month since your account was opened. The Teller counted the envelopes and then the sums inside them, and found both correct, which she describes as a rare result on a Monday. Ref. CIBT-3003-FBA1-8		
21 Oct	Deposit: Hall E	+2,034,909	37,106,626
	Auditors' note: the slip was keyed by a clerk who rounds up as a habit, and the Bank's rule says down. The entry has been corrected to the lower figure, and the clerk has been asked to read the rule again. Ref. CIBT-3003-D27E-0		
22 Oct	Slippage fee (Nairobi Sector, 2 transfers)	-1,200	37,105,426
	The relay at Nairobi Sector has sent a note of apology for the wait. The officer has read it aloud and asks us to record that she has nothing to add to it. Ref. CIBT-3003-5EEA-4		
24 Oct	Transfer to joint account	-122,500	36,982,926
	When a joint figure falls exactly on a half-second, the Bank rounds it to the even second so that neither holder is favoured. The holders once asked for the odd second to go to the one who had not paid, and the Bank explained that a second has no memory of who paid for it. Ref. CIBT-3003-5794-5		
31 Oct	Interest at 3.40% APY	+99,109	37,082,035
	The Ceres branch credits interest on a day of its own, slightly longer than ours, so the interest on this account is always one day behind itself. Ref. CIBT-3003-AB15-1		

Closing balance, month by month

November 3002 October 3003

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
