Opening balance	Credits	Debits	Closing balance
59,061,445 s	**+2,401,761 s**	**-174,600 s**	**61,288,606 s**

Date	Description	Amount (s)	Balance (s)
01 Jul	ATM withdrawal: London Sector	-86,400	58,975,045
	A standing withdrawal of One Standard day is made at London Sector on the 1st of each month, and has been since 3000. The machine is kept loaded for you, and the custodian has stopped asking for the form. Ref. CIBT-3003-5514-5		
07 Jul	Slippage fee (London Sector, 2 transfers)	-1,800	58,973,245
	A correction to last month's slippage: two of the 2 crossings at London Sector were charged at the relay's rate and again at the Head Office's. The duplicate has been credited, and this statement shows the fee once. Ref. CIBT-3003-0294-5		
08 Jul	ATM withdrawal: London Sector	-86,400	58,886,845
	Your One Standard day was dispensed at London Sector and posted here after the relay had carried the notice across, which took 30 days. The machine had paid it out the same afternoon, and nobody on either side was in a hurry. Ref. CIBT-3003-F528-7		
12 Jul	Deposit: Hall E	+1,964,094	60,850,939
	You write the amount on the envelope in figures and then again in words, and the words always run one letter longer than the figures would need. The officer reads the words. The figures have never once been wrong, and the Bank would not presume to tell you how to spell. Ref. CIBT-3003-33B1-5		
27 Jul	Payroll credit: Titan Methane Works	+270,327	61,121,266
	The wage on the 27th is credited in the same sum as last month and the month before, and has been the same since 3002. Titan Methane Works describes this as the sum you were engaged for, and the Bank has found no reason to dispute it. Ref. CIBT-3003-B4D9-1		
31 Jul	Interest at 3.40% APY	+167,340	61,288,606
	Titan Methane Works asked the Bank to waive the fee on its share of your interest, on the grounds that the interest had already been taxed in its own offices. The Bank replied that it does not tax interest, and waived the fee anyway. Ref. CIBT-3003-4C0C-2

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
