Period 1–31 July 3003
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
71,363,608 s	**+6,910,901 s**	**-413,068 s**	**77,861,441 s**

Date	Description	Amount (s)	Balance (s)
18 Jul	Transfer to joint account	-381,216	70,982,392
	Each quarter 8564-6350-6878 receives 381,216 toward the rent of a boat at New Orleans Sector that you have not seen and Kesi Quaresma has visited twice. The rent is paid on the first morning of the quarter, while the holder was practising a card trick with a single coin the Bank had issued. Ref. CIBT-3003-569A-7		
20 Jul	Slippage fee (New Orleans Sector, 7 transfers)	-6,300	70,976,092
	The Teller has pointed out that a crossing made at Hall E on a Sunday costs exactly what one made on a Monday costs, and has asked whether this is fair. The Bank has not yet decided. Ref. CIBT-3003-B15C-3		
22 Jul	Payroll credit: St. Catherine Bakeries	+635,360	71,611,452
	Your employer's office converted the wages to days before sending them, so the usual 0.30 seconds was not taken. The converted figure has been checked against the posted rate and found correct to the second. Ref. CIBT-3003-9F65-2		
23 Jul	Deposit: Hall E	+6,079,292	77,690,744
	A second deposit of the same amount was credited to this account on the 23rd, from a branch that has no record of making it. The credit is held in suspense, and the Bank has written to the depositor, who has not yet written back. Ref. CIBT-3003-8543-0		
24 Jul	Temporal Health Plan	-25,552	77,665,192
	St. Catherine Bakeries pays the premium for your cover, and the plan tells you each year which share is the firm's. This year the firm's share was a quarter of the premium, a proportion the plan has not seen changed since 2999. Ref. CIBT-3003-F899-8		
31 Jul	Interest at 3.30% APY	+196,249	77,861,441
	Your calculation in pencil at home and the officer's in ink agree on most months. On the months they do not, the officer's note says only "you were right." Interest for the 31st is one of those months. Ref. CIBT-3003-9FD4-5

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
