Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
155,341,100 s	**+1,901,450 s**	**-5,462,020 s**	**151,780,530 s**

Date	Description	Amount (s)	Balance (s)
04 Jan	Payroll credit: the Europa Ice Authority	+904,497	156,245,597
	You have asked for your wage to be converted at the day's rate and not the posted one, every period since the account was opened. The Bank has done so. This statement shows the rate you asked for, and the Teller has noted that you are the only depositor who has asked. Ref. CIBT-2975-3C7C-5		
05 Jan	Mech Veterans' Time Pension	+466,205	156,711,802
	The reserve credit for 2974 was posted to a namesake at Hall E, who has been paid the same sum for himself and asked whether he ought to be grateful. The Bank has told him he ought to be prompt about the form, which he has been. Ref. CIBT-2975-EDEB-7		
13 Jan	ATM withdrawal: Montréal Sector	-172,800	156,539,002
	You leave the receipt face down on the tray, so the next customer must turn it over to read the sum. The custodian counts this as a courtesy and has never mentioned it to you. Ref. CIBT-2975-6B70-8		
17 Jan	Memory Vault: box 98-035, quarter	-259,200	156,279,802
	Box 98-035 has been rented without its holder's presence for 10 years. Each renewal arrives in the same hand, a little slower than the last, and the custodians have stopped commenting on the slowness. Ref. CIBT-2975-C91C-5		
20 Jan	Temporal Health Plan	-17,706	156,262,096
	The Europa Ice Authority asked the plan to pay for a health check ahead of the staff medical, and the plan did, though the check was for another employee with the same surname. The mistake has been noted, and the check stands. Ref. CIBT-2975-CA38-4		
21 Jan	Slippage fee (Montréal Sector, 9 transfers)	-2,700	156,259,396
	Auditors' note: the 21st crossing, sent from Hall E to Montréal Sector, is recorded at the sender's clock and at the receiver's, and the two are 26 seconds apart. Both are correct. Neither is the one the Bank charges by. Ref. CIBT-2975-E131-3		
30 Jan	Transfer to own account: Montréal Sector	-5,009,614	151,249,782
	You asked whether the sundry could be backdated. The officer said it could not, then paused and asked which date you had in mind. It has been posted on the day you asked, which you both agreed was fair. Ref. CIBT-2975-4D09-0		
31 Jan	Interest at 4.10% APY	+530,748	151,780,530
	The Teller pointed at the last digit of the interest and asked you to say it aloud, as a test of the account. You said it. She said the test was over, that the account had passed, and that you might now go and tell someone. Ref. CIBT-2975-9A4A-4		

Closing balance, month by month

Highest 195,668,639 s · lowest 151,780,530 s

February 2974 — January 2975

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
