Teodor Castellane
Unit 229, Pallas Ring 10

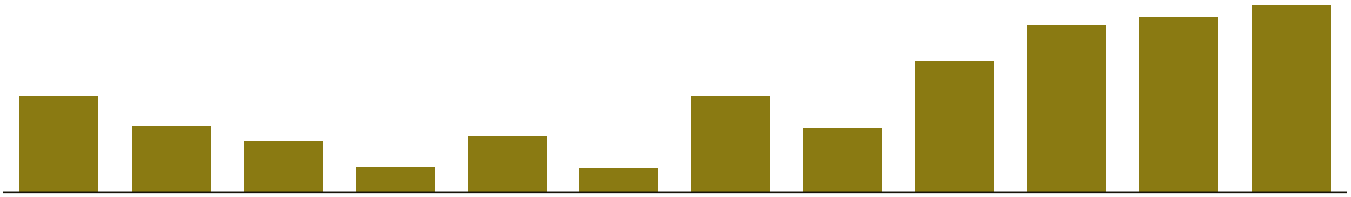

Account 8564-4181-1663
Period 1–31 August 2980
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
100,229,542 s	**+1,904,416 s**	**-281,541 s**	**101,852,417 s**

Date	Description	Amount (s)	Balance (s)
04 Aug	Temporal Health Plan	-19,941	100,209,601
	The 7 sessions on this claim were kept behind the rubber stamps, in a paper wrapper until the provider's second signature came from London Sector, and then paid for the days they were given, not the days they were signed for. Ref. CIBT-2980-870C-7		
08 Aug	ATM withdrawal: London Sector	-86,400	100,123,201
	A standing withdrawal of One Standard day is made at London Sector on the 8th of each month, and has been since 2978. The machine is kept loaded for you, and the custodian has stopped asking for the form. Ref. CIBT-2980-F47F-8		
10 Aug	ATM withdrawal: London Sector	-172,800	99,950,401
	The machine held your withdrawal for 30 days because the concourse's power was cut in the night, and the machine had to be re-authorised by the Head Office before it would dispense. It did so on the 10th, and the cash is dated the day it was asked for. Ref. CIBT-2980-9BF1-3		
25 Aug	Slippage fee (London Sector, 4 transfers)	-2,400	99,948,001
	"The seconds have to go somewhere," the Teller says, "and the relay has always been better placed to receive them." She says it kindly. Ref. CIBT-2980-732C-4		
28 Aug	Mech Veterans' Time Pension	+473,897	100,421,898
	The pension office on London Sector is staffed by veterans, who pay one another in days and call it a courtesy. The sum was checked by a colleague who served with the payee, and the Bank has been asked to record this. Ref. CIBT-2980-577A-9		
30 Aug	Deposit: Hall E	+1,088,069	101,509,967
	The Teller counts the notes with her left hand and the coins with her right, because, she says, a coin should never know what the note is doing. The two totals were added at the foot of the slip, and they agreed with the depositor's own. Ref. CIBT-2980-81A9-8		
31 Aug	Interest at 4.10% APY	+342,450	101,852,417
	Interest accrues every second, including the seconds you spent reading this statement, and the Bank has no record of having paid you for any of them. Ref. CIBT-2980-93E3-9		

Closing balance, month by month

September 2979 August 2980

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
