Date	Description	Amount (s)	Balance (s)
02 Jul	Deposit: Hall E	+5,371,338	181,440,518
	A clerk who has never met the holder pays the Europa Ice Authority's pension top-up through this window each quarter, with a cheerful note about the weather at the firm's lakeside depot. Ref. CIBT-2990-8EA5-5		
03 Jul	Payroll credit: the Europa Ice Authority	+904,497	182,345,015
	The Europa Ice Authority asked that its wages be credited before the close of the Ganymede day rather than after it, so its staff could spend them that night. The Bank allowed it once, and the staff have not been told the Bank was asked. Ref. CIBT-2990-C48A-2		
15 Jul	Memory Vault: box 98-035, quarter	-259,200	182,085,815
	The Europa Ice Authority has no interest in box 98-035, the Vault says, and the firm confirms this in writing each quarter, so that the register may record a disinterest on one side and a holder on the other. Ref. CIBT-2990-7F88-9		
21 Jul	Temporal Health Plan	-31,267	182,054,548
	The nurse at Ganymede wrote your vaccination appointment on the back of last week's receipt. The plan accepts the receipt as the booking and the nurse as the provider, and has asked that the next one be written on the front. Ref. CIBT-2990-D3E1-9		
23 Jul	Mech Veterans' Time Pension	+450,556	182,505,104
	The pension waited 29 days for a signature from an officer posted to Ganymede, who had not yet found the form. The form turned up under the glass at the counter, where the Teller can see it, and the signature followed on the 23rd. Ref. CIBT-2990-F21E-0		
31 Jul	Interest at 4.10% APY	+601,569	183,106,673
	The reconciling clerk notes that this month's interest matches last month's to the second. She has checked it twice on the grounds that she did not believe it either, and once more, to be fair to last month. Ref. CIBT-2990-59EC-8

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
