Teodor Castellane
Unit 163, Pallas Ring 10

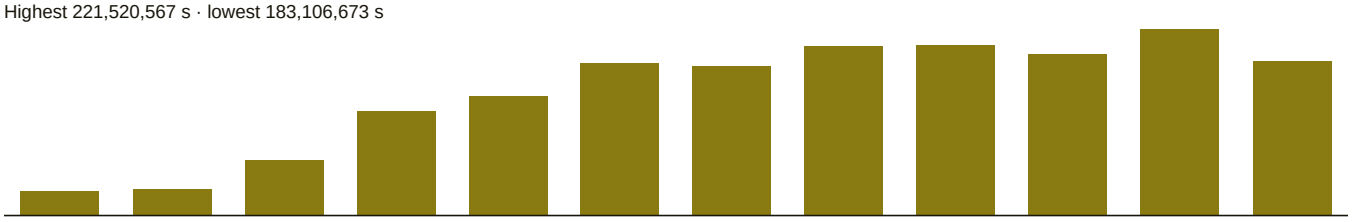

Account 8564-4181-1663
Period 1–30 June 2991
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
221,520,567 s	**+1,994,042 s**	**-9,649,914 s**	**213,864,695 s**

Date	Description	Amount (s)	Balance (s)
01 Jun	Transfer to own account: Tallinn Sector	-9,607,091	211,913,476
	You send Jarrah Fothergill a small transfer on the 1st of every month, with a note of a few words. The officers have stopped reading the notes but still file them. Ref. CIBT-2991-B578-3		
06 Jun	Temporal Health Plan	-42,523	211,870,953
	The Authority asked for a copy of your reimbursement schedule and received one, with the figures in days. The Authority has filed it without comment under the heading it keeps for things it has been sent. Ref. CIBT-2991-55F6-3		
14 Jun	Slippage fee (Tallinn Sector, 1 transfers)	-300	211,870,653
	Slippage is charged per whole Standard second, so the 300 s on this line is the crossings' total rounded up. The fraction left over, 0.952 s, is carried to the next statement and rounded there. Ref. CIBT-2991-60CA-7		
19 Jun	Mech Veterans' Time Pension	+332,684	212,203,337
	Your pension is 0.960 of a day larger than the schedule's figure, because the reserve rounds each payment up to the next whole day and holds the surplus against next year, when the surplus will be rounded down. Across a lifetime the two cancel, the reserve says, and it has been waiting 7 years to show it. Ref. CIBT-2991-AB37-0		
27 Jun	Payroll credit: the Europa Ice Authority	+904,497	213,107,834
	The Europa Ice Authority was closed on the 27th for its own founding, and the wage was credited the day after with a card that reads "in honour of a very old arrangement". The Bank has honoured the arrangement, whatever it was. Ref. CIBT-2991-A938-2		
30 Jun	Interest at 4.10% APY	+756,861	213,864,695
	The auditors who went through the Hall E ledgers this year asked why this line was one second short of the reckoning. The answer is on file: the first second of the period is not counted, by agreement, and the auditors have accepted it with some reluctance. Ref. CIBT-2991-DB64-3		

Closing balance, month by month

July 2990 June 2991

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
