Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
164,871,302 s	**+4,750,860 s**	**-635,044 s**	**168,987,118 s**

Date	Description	Amount (s)	Balance (s)
07 Jul	Memory Vault: box 98-035, quarter	-259,200	164,612,102
	A second key to box 98-035 was cut in 2993 and returned, the holder having found the first sufficient. The Vault keeps the second in its drawer, labelled with the holder's name and a question mark. Ref. CIBT-2995-427D-2		
08 Jul	Mech Veterans' Time Pension	+348,114	164,960,216
	The Pensions Office has asked that the second page of your award be read before the first. Nobody has been able to say why, and the pension has been paid in the same order regardless. Ref. CIBT-2995-70BC-3		
08 Jul	ATM withdrawal: Montréal Sector	-259,200	164,701,016
	For the auditors: the cash-time withdrawal at Montréal Sector was authorised with a valid token while the holder's record placed them at Hall E. The auditors asked whether the token was used by its owner. The owner, asked, said only that it was a fine morning for it. Ref. CIBT-2995-F49C-3		
09 Jul	Temporal Health Plan	-27,244	164,673,772
	The reimbursement on your last statement showed 2 sessions as one line, because the clinic had billed them as a course. The plan has split the course back into its days, which is how the clinic describes the sessions, and the sum is the same. Ref. CIBT-2995-F951-6		
19 Jul	ATM withdrawal: Montréal Sector	-86,400	164,587,372
	The officer checked the cash, the receipt and the balance, in that order, and reports that all three agree. She describes this as the only thing about the machine she is sure of. Ref. CIBT-2995-8C21-9		
21 Jul	Payroll credit: the Europa Ice Authority	+904,497	165,491,869
	Salary from the Europa Ice Authority is rounded to the whole day, and the 0.950 remainder is paid out as one coin at your next counter visit. The Teller believes it is the only coin the Bank has ever paid in person. Ref. CIBT-2995-7427-9		
22 Jul	Deposit: Hall E	+2,934,939	168,426,808
	The three-tenths of a second that the envelope held over the whole sum has not been lost. It has been added to your rate for the day, where it will be paid out with interest, as a fraction is paid out in this Bank: slowly, and with its own paperwork. Ref. CIBT-2995-7A06-9		
26 Jul	Slippage fee (Montréal Sector, 5 transfers)	-3,000	168,423,808
	A crossing of exactly one second is charged as one second and a crossing of two as two, but a crossing of one and a half is charged at the lower figure, as the first schedule required and every schedule since has kept. Ref. CIBT-2995-B474-2		
31 Jul	Interest at 4.10% APY	+563,310	168,987,118
	Interest on the Europa account is credited in the cold hour before the station's dawn, at the same posted rate as ours, out of courtesy to the ice. Ref. CIBT-2995-E448-6

August 2994 July 2995

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
