Opening balance	Credits	Debits	Closing balance
95,264,021 s	**+4,923,856 s**	**-301,037 s**	**99,886,840 s**

Date	Description	Amount (s)	Balance (s)
05 Jul	Memory Vault: box 98-035, quarter	-259,200	95,004,821
	The Vault's rounding tables run to the tenth of a day, and the rent on box 98-035 falls between two lines of the table. The custodian reads this as the box asking for the lower line, and the lower line is charged. Ref. CIBT-3000-2ACD-5		
18 Jul	Deposit: Hall E	+3,253,740	98,258,561
	The counter has waived the handling charge because the envelope was sealed by you and never reopened at the desk. A sealed envelope is the holder's own business, and the Bank does not charge a holder for their own business. Ref. CIBT-3000-C846-4		
23 Jul	Mech Veterans' Time Pension	+440,134	98,698,695
	The charge for a second annual letter of entitlement has been waived. The first was posted to the wrong flat, where a neighbour returned it with a note saying she had kept it for you, which the Office accepted as a service. Ref. CIBT-3000-025A-1		
23 Jul	Temporal Health Plan	-41,837	98,656,858
	A payment for a session on the 23rd arrived at your branch, though the provider's address on the claim could not be found. The plan has kept the file open, and the provider has not complained, which the plan takes as settled. Ref. CIBT-3000-43EE-6		
25 Jul	Payroll credit: the Europa Ice Authority	+904,497	99,561,355
	Less the staff canteen charge, the Europa Ice Authority's pay is collected through the Bank as a courtesy. The Bank does not run a canteen, and has asked the Europa Ice Authority to stop describing it as one in its letters. Ref. CIBT-3000-3DD0-0		
31 Jul	Interest at 4.10% APY	+325,485	99,886,840
	The interest for 28 days was held up because the Rate Committee's table was printed in days and had to be turned back into seconds by a clerk who was not sure which way the conversion ran. It ran the right way once it was checked, and the clerk has requested a column in the table to say which way. Ref. CIBT-3000-83A9-4

August 2999 July 3000

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
