Opening balance	Credits	Debits	Closing balance
69,759,496 s	**+672,982 s**	**-1,804,470 s**	**68,628,008 s**

Date	Description	Amount (s)	Balance (s)
04 Jul	Memory Vault: box 98-035, quarter	-259,200	69,500,296
	The keeper of the sub-level has asked that box 98-035 be moved nearer the stairs, so the holder need not walk so far to be disappointed. The request has been filed with the box's other requests, of which there are none. Ref. CIBT-3002-BE40-2		
08 Jul	ATM withdrawal: Singapore Sector	-259,200	69,241,096
	You always withdraw an amount ending in a round number of seconds. The officers have put this down to preference, though the file is not clear on whether it was yours to begin with. Ref. CIBT-3002-ED2F-4		
10 Jul	Temporal Health Plan	-14,834	69,226,262
	The Teller has been asked whether the Plan can pay for a procedure not yet performed. She says it can pay for almost anything, provided it has been written down first. Ref. CIBT-3002-D32D-4		
12 Jul	Mech Veterans' Time Pension	+434,638	69,660,900
	The Europa Ice Authority wishes it recorded that your pension is not a gift from the firm. The Bank wishes it recorded that it was never told so, and the top-up has been paid all the same, with thanks on both sides. Ref. CIBT-3002-D8B6-1		
13 Jul	ATM withdrawal: Singapore Sector	-172,800	69,488,100
	Your weekly draw at Singapore Sector has been 2 Standard days for 5 weeks running. The machine treats the sum as a payroll of its own and prints it at the top of the receipt, where it can be seen. Ref. CIBT-3002-38C5-4		
17 Jul	Transfer to own account: Singapore Sector	-1,097,236	68,390,864
	This item was posted twice on the 17th: once at the counter and once at the night safe, which had not been told the envelope was already open. One of the two has been struck. You may keep the other, and the officer asks that you do not try to keep both. Ref. CIBT-3002-5A0B-9		
19 Jul	Slippage fee (Singapore Sector, 2 transfers)	-1,200	68,389,664
	Two clocks, each read by two officers and each found to agree with itself, produce the slippage on the 19th crossing. The Bank can show where the difference was recorded. It cannot show why it chose that day. Ref. CIBT-3002-5FB1-5		
31 Jul	Interest at 4.10% APY	+238,344	68,628,008
	The line for this period should have appeared on the previous page. The entry has been moved; the amount was correct and is unchanged. Ref. CIBT-3002-471B-9

August 3001 July 3002

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
