Period 1–31 July 3018
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
155,205,395 s	**+9,149,915 s**	**-288,066 s**	**164,067,244 s**

Date	Description	Amount (s)	Balance (s)
18 Jul	Deposit: Hall E	+7,325,379	162,530,774
	The deposit made on Titan went through a relay that observes its own weekend, which fell on the 18th. The sum was credited on the first day the relay reopened, and interest on it runs from the first day of the weekend, as a courtesy the relay has not been able to explain. Ref. CIBT-3018-8183-6		
20 Jul	Memory Vault: box 98-035, quarter	-259,200	162,271,574
	The custodian at Hall E writes that the memory in box 98-035 has been trying to get out, and that the box has been trying to make it difficult. The box is in order. The memory is, the Vault says, the tenant's concern. Ref. CIBT-3018-3B12-0		
28 Jul	Mech Veterans' Time Pension	+389,754	162,661,328
	A pension's tenths are rounded in whichever direction the rate sheet was last folded. The sheet was folded upward this month, so the rounding has gone up, and the Pensions Office would like it known that this is the sheet's fault. Ref. CIBT-3018-E2E5-5		
29 Jul	Payroll credit: the Europa Ice Authority	+904,497	163,565,825
	The Teller reads the Europa Ice Authority figure aloud, then reads it again in case the first reading was a courtesy. It was not. The sum is 904,497, and both readings agreed, which is more than can be said of the remitter's own clock. Ref. CIBT-3018-D833-0		
29 Jul	Temporal Health Plan	-28,866	163,536,959
	The premium paid by the Europa Ice Authority under your contract of service is shown here for information. The part you pay personally is the figure on the last line, rounded to the nearest second. Ref. CIBT-3018-E3AE-8		
31 Jul	Interest at 4.10% APY	+530,285	164,067,244
	No statement charge applies this period. The interest on the account has been left to grow through 4 periods without a single withdrawal, and the Bank has decided that a balance this patient should not be charged for being kept. Ref. CIBT-3018-A362-4		

Closing balance, month by month

August 3017 July 3018

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
