Opening balance	Credits	Debits	Closing balance
73,457,038 s	**+8,378,971 s**	**-471,537 s**	**81,364,472 s**

Date	Description	Amount (s)	Balance (s)
01 Jan	Temporal Health Plan	-38,337	73,418,701
	Your physiotherapy at Vancouver Sector is paid in days, since the clinic there has never kept the Head Office's hours and sees no reason to start. The plan converts the sum at the posted rate and mentions the rate once, in small type. Ref. CIBT-3023-B4EA-2		
03 Jan	Deposit: Hall E	+6,785,693	80,204,394
	Posted on the thirtieth because the slip carried the date of its signing and not the date of its arrival. It arrived on the first, and the interest runs from the first. The statement now shows both dates, one above the other. Ref. CIBT-3023-1A4B-2		
04 Jan	Payroll credit: the Europa Ice Authority	+904,497	81,108,891
	When a wage is paid in halves of a day, the half left over goes to whichever pay period is the shorter. This month is the shorter one, so the 0.970 is yours, and it has been posted to you. Ref. CIBT-3023-7880-5		
14 Jan	Memory Vault: box 98-035, quarter	-259,200	80,849,691
	Inventory for box 98-035: one memory of a holiday, 35 recollections of a kitchen, and a sum the custodian declines to describe as anything but sensible. Ref. CIBT-3023-B022-4		
16 Jan	Slippage fee (Vancouver Sector, 4 transfers)	-1,200	80,848,491
	Your transfers were held 31 Standard days at Vancouver Sector, because the operator had to be woken and then had to find the slip. The slip had been filed under the wrong crossing by the previous shift. Ref. CIBT-3023-3F69-2		
22 Jan	Mech Veterans' Time Pension	+437,803	81,286,294
	The pension due on the 22nd was held 30 days for a form that the Authority's own office had stamped and then posted to the wrong office. The stamp was genuine, which made the delay harder to explain at the counter, and easier to forgive. Ref. CIBT-3023-907F-0		
26 Jan	ATM withdrawal: Vancouver Sector	-172,800	81,113,494
	Dispensing took longer than usual because the machine read your card twice, once for each world it had been told you might be on. The second reading agreed with the first, and the withdrawal is correct. Ref. CIBT-3023-80FA-9		
31 Jan	Interest at 4.10% APY	+250,978	81,364,472
	You read your interest on the postcard the Bank sends on the morning of each period, a week before the statement arrives. You say it is the only correspondence you enjoy in advance, and the postcard has been printed in larger type to suit you. Ref. CIBT-3023-81A6-4

February 3022 — January 3023

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
