Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
2,506,907,961 s	**+118,753,101 s**	**-36,353 s**	**2,625,624,709 s**

Date	Description	Amount (s)	Balance (s)
05 Sep	Slippage fee (New Orleans Sector, 7 transfers)	-2,100	2,506,905,861
	You fold the slip once, lengthwise, and slide it into the back of the passbook without reading the total, as you have done every month since 2990. The officer reads the total for you and then folds the passbook back, so that each of you has done one half of the job. Ref. CIBT-2995-2630-0		
06 Sep	Deposit: Hall E	+102,535,480	2,609,441,341
	The envelope was handed across the counter twice, once for the record and once, the depositor said, for the look of it. The Teller obliged, and the envelope is none the worse. Ref. CIBT-2995-F484-7		
15 Sep	Temporal Health Plan	-34,253	2,609,407,088
	Treatment at New Orleans Sector, where the clinic keeps a day of its own and the plan has agreed to honour it. The reimbursement is dated to the clinic's day, which falls on the eve of ours, so the claim was paid a day before it was made. Ref. CIBT-2995-5FD9-5		
19 Sep	Payroll credit: the Ceres Ring Assay Office	+7,443,444	2,616,850,532
	A transfer to Hamid Pemberton is drawn from this credit each month, and what remains from the Ceres Ring Assay Office is left here. Both accounts have agreed the arrangement and it needs no action from us. It is printed on this line so that you can see the wage was not all yours. Ref. CIBT-2995-DAC1-6		
30 Sep	Interest at 4.20% APY	+8,774,177	2,625,624,709
	Each close leaves its odd tenths in a jar on the counter at Hall E, to be counted out in the first week of the year. The jar was counted on the 30th and held 12 seconds' worth, which is credited to you on a single line. Ref. CIBT-2995-F565-7		

Closing balance, month by month

Highest 2,625,624,709 s · lowest 1,910,230,889 s

October 2994 September 2995

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
