Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
15,846,229 s	**+1,579,962 s**	**-261,900 s**	**17,164,291 s**

Date	Description	Amount (s)	Balance (s)
02 Aug	ATM withdrawal: Europa	-259,200	15,587,029
	On Europa the cash-time machine is switched off through the station's night. Your withdrawal, made in the last minute before the switch, was paid out at first light, and the sum is the one you asked for; the wait was the station's. Ref. CIBT-3003-9631-9		
09 Aug	Payroll credit: Harbourfront Shipping	+112,934	15,699,963
	Pay from Harbourfront Shipping came through the Positive Contact desk at Europa, which holds wages in its own unit until the employer's contract is confirmed. The desk asks that the sum be shown without comment, and it is shown without comment. Ref. CIBT-3003-FF37-4		
20 Aug	Deposit: Hall E	+1,352,742	17,052,705
	The sum of 1,352,742 was rounded down, not up, because the slip was written in pencil and the counter rounds pencil down. The officer says this is a rule of thumb and not a rule. Ref. CIBT-3003-3DB2-3		
22 Aug	Mech Veterans' Time Pension	+56,184	17,108,889
	Asked whether the sum was correct, the cashier said yes, then counted it again out of respect for the sum. Ref. CIBT-3003-730D-0		
24 Aug	Slippage fee (Europa, 3 transfers)	-2,700	17,106,189
	Every crossing from Hall E to Europa goes the long way, through two stations whose clocks have never once agreed with each other. You pay for the detour in seconds, and the Bank considers the scenery to be included. Ref. CIBT-3003-D72E-0		
31 Aug	Interest at 4.40% APY	+58,102	17,164,291
	The fee for a second statement of interest, issued because the first was filed in the wrong drawer at Hall E, has been waived. The Bank does not charge twice for the same arithmetic, and the drawer has been labelled. Ref. CIBT-3003-0175-3		

Closing balance, month by month

September 3002 August 3003

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
