Period 1–31 August 3003
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
80,443,640 s	**+2,012,551 s**	**-175,500 s**	**82,280,691 s**

Date	Description	Amount (s)	Balance (s)
03 Aug	Payroll credit: the Authority Records Office	+854,311	81,297,951
	Pay for 29 days was released late because the convoy that carried it from Singapore Sector waited at the crossing gate for a second escort. The convoy's leader writes that the wait was entirely proper, and the Bank agrees with the leader. Ref. CIBT-3003-ED48-3		
17 Aug	ATM withdrawal: Singapore Sector	-86,400	81,211,551
	The withdrawal was rounded to the nearest five seconds at the machine and to the nearest second at the branch. The Bank has credited the 1,500 seconds between the two to your account without comment. Ref. CIBT-3003-B300-1		
20 Aug	ATM withdrawal: Singapore Sector	-86,400	81,125,151
	The withdrawal of 86,400 came out of the machine in whole days, so the sum you asked for was rounded to the nearest of them. The 0.966 left over stayed on the account, where it is still in the machine's hands. Ref. CIBT-3003-3460-3		
25 Aug	Slippage fee (Singapore Sector, 9 transfers)	-2,700	81,122,451
	Transfers from Singapore Sector arrive after the day that sent them, because the far side of the crossing keeps its own sunrise. The fee follows the seconds spent in transit and not the day, and the local office asks that this be stated. Ref. CIBT-3003-B0AE-6		
26 Aug	Deposit: Hall E	+883,391	82,005,842
	The envelope was handed across the counter twice, once for the record and once, the depositor said, for the look of it. The Teller obliged, and the envelope is none the worse. Ref. CIBT-3003-EF05-8		
31 Aug	Interest at 4.10% APY	+274,849	82,280,691
	Singapore Sector rounds its interest down to the whole day and sends the remainder to the suspense line, where it is held for a depositor not yet identified. Your share of the remainder has been credited to this account as a courtesy, and the branch asks that it not be spent in one place. Ref. CIBT-3003-144E-0

September 3002 August 3003

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
