Date	Description	Amount (s)	Balance (s)
02 Jan	ATM withdrawal: Bronx Sector	-259,200	246,114,595
	Harbourfront Shipping arranges for its staff's wages to be drawn at Bronx Sector on pay day, but your share goes out a day late, because your pay is credited when the firm finishes counting it. Ref. CIBT-3014-BBFC-9		
07 Jan	Payroll credit: Harbourfront Shipping	+1,443,371	247,557,966
	For the Audit Committee's file: wages from Harbourfront Shipping were checked against the employer's statements on the fourth working day, as the audit rule requires. One item was posted twice and reversed the same afternoon. It does not appear on this statement, and nothing is owed on it. Ref. CIBT-3014-BDE8-9		
07 Jan	Memory Vault: box 38-453, quarter	-259,200	247,298,766
	Your box was once kept at the back of the Bronx Sector sub-level, under a window that gives onto nothing. You asked for it to be moved nearer the door, and were asked why. You said the box would then see who came in, and the custodian said the box had never asked to. Ref. CIBT-3014-633E-5		
10 Jan	ATM withdrawal: Bronx Sector	-86,400	247,212,366
	The first note the machine offers is left in the slot, every time, for the next customer; the second is yours. Ref. CIBT-3014-DFC6-9		
25 Jan	Transfer to own account: Bronx Sector	-2,902,480	244,309,886
	Held 30 days at the Bronx Sector desk while its officer attended a meeting about the desk's own clock, the sundry has been credited from the day it was raised. The meeting ran long; the desk did not. Ref. CIBT-3014-0DCE-2		
27 Jan	Slippage fee (Bronx Sector, 2 transfers)	-1,800	244,308,086
	The reference on 2 transfers was keyed against another depositor's account and then corrected. The fee was not affected, but the statement has been reissued so that the wrong name does not appear on the copy you keep. Ref. CIBT-3014-A29E-1		
31 Jan	Interest at 4.60% APY	+944,432	245,252,518
	The fee on the 31 seconds of interest carried over from last period has been waived. It was not large, and nobody was owed it, and the Bank would rather not explain the difference. Ref. CIBT-3014-D667-1		

Closing balance, month by month

February 3013 — January 3014

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
