Date	Description	Amount (s)	Balance (s)
16 May	Payroll credit: Harbourfront Shipping	+1,443,371	221,665,153
	The Harbourfront Shipping remittance was held 30 days at Luna, where the office had opened its quarter-end audit and would not release money while the books were open. Nothing is owed on the wait; the wages sat in the suspense ledger, and the interest on them has been paid. Ref. CIBT-3014-8A84-9		
22 May	Transfer to own account: Luna	-2,395,375	219,269,778
	A sundry raised at Luna is dated by the local hour and posted by ours, so this charge was made on the local evening and arrived on our morning. The desk regards it as one transaction, and the statement shows it as two. Ref. CIBT-3014-F847-3		
26 May	Slippage fee (Luna, 3 transfers)	-1,800	219,267,978
	You always ask for the slippage to be read back to you before you send, and you always send after it has been read. The Bank has no rule against this and has seen no reason to write one. Ref. CIBT-3014-FACB-8		
31 May	Interest at 4.60% APY	+844,183	220,112,161
	Interest on the Luna portion was delayed for 31 days, because the local rate was confirmed by a relay that had been quiet all afternoon. When it spoke, it confirmed the rate it had held for itself, and the Bank has accepted the figure. Ref. CIBT-3014-FF41-1

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
