Opening balance	Credits	Debits	Closing balance
155,923,995 s	**+2,041,079 s**	**-17,499,462 s**	**140,465,612 s**

Date	Description	Amount (s)	Balance (s)
04 Dec	Payroll credit: Harbourfront Shipping	+1,443,371	157,367,366
	The employer's office sent this month's wage 31 days late, explaining that the figure had been copied from the back of a menu. The sum fell exactly on a half-second, and under the rounding rule such a sum goes to the payee, so the half becomes a whole second, which is yours and appears on the credit line. Ref. CIBT-3014-21A4-6		
11 Dec	Transfer to own account: Ganymede	-17,412,162	139,955,204
	The 17,412,162 on the 11th was the sundry before its discount. The discount has been credited and the line restated to the net, so that it reads as the officer always meant it to. Ref. CIBT-3014-8937-9		
13 Dec	ATM withdrawal: Ganymede	-86,400	139,868,804
	The withdrawal on the 13th was first posted to a neighbour's account with a similar number. It has been moved to yours, and the balance on this statement is the one the machine gave you. Ref. CIBT-3014-82A8-7		
17 Dec	Slippage fee (Ganymede, 1 transfers)	-900	139,867,904
	Your transfers were sent to the Ganymede relay by a clerk who had been told the relay was on the other side of the river. It was on this side. The crossing was made once, and the fee has been taken once. Ref. CIBT-3014-FE6B-9		
31 Dec	Interest at 4.60% APY	+597,708	140,465,612
	Harbourfront Shipping holds a standing order that credits your interest on the 31st, and its treasurer has asked to see the figure before it is shown to you. The Bank has explained that a statement is not a document the depositor may be kept from, and the treasurer has agreed, with reservations he has put in writing. Ref. CIBT-3014-4BEC-4

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
