Date	Description	Amount (s)	Balance (s)
02 Jul	ATM withdrawal: Callisto	-172,800	303,796,054
	The sum of 2 Standard days at Callisto matches the withdrawal shown on the 2nd last year to the note. The auditors have checked both, and the coincidence belongs to the machine, not the account. Ref. CIBT-3021-07C4-0		
12 Jul	ATM withdrawal: Callisto	-172,800	303,623,254
	The officer on the concourse notes that you wish the cash to be dry before it leaves. The machine has never been asked to meet that request and met it this time, with what the officer describes as a sigh. Ref. CIBT-3021-9E2D-2		
20 Jul	Memory Vault: box 38-453, quarter	-259,200	303,364,054
	Rental on box 38-453 for 30 days of the new quarter, rounded to the whole day, with the part of a day left over carried forward and rounded again at the next close. The Vault has never found the two roundings to meet, and has stopped trying. Ref. CIBT-3021-6F1A-6		
22 Jul	Slippage fee (Callisto, 9 transfers)	-5,400	303,358,654
	The 29 days your transfers spent at the Callisto relay were not a fault. The relay was asked to hold each one until the reference it works from had been confirmed by the Head Office, and it held them patiently. Ref. CIBT-3021-980F-9		
27 Jul	Transfer to own account: Callisto	-1,628,787	301,729,867
	This item was posted twice on the 27th: once at the counter and once at the night safe, which had not been told the envelope was already open. One of the two has been struck. You may keep the other, and the officer asks that you do not try to keep both. Ref. CIBT-3021-8CF3-2		
31 Jul	Interest at 4.60% APY	+1,165,213	302,895,080
	A fraction of a second's interest was held back at the close of the period, because the day-count ended on a holiday at Callisto. The fraction is credited in the next period, with interest on it. Ref. CIBT-3021-6AC5-7

August 3020 July 3021

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
