Opening balance	Credits	Debits	Closing balance
371,766,000 s	**+13,966,683 s**	**-347,400 s**	**385,385,283 s**

Date	Description	Amount (s)	Balance (s)
05 Mar	ATM withdrawal: New Orleans Sector	-172,800	371,593,200
	Harbourfront Shipping arranges for its staff's wages to be drawn at New Orleans Sector on pay day, but your share goes out a day late, because your pay is credited when the firm finishes counting it. Ref. CIBT-3024-7594-8		
07 Mar	Payroll credit: Harbourfront Shipping	+1,443,371	373,036,571
	Your wages from Harbourfront Shipping arrived in the same envelope as the last three months. The officer at Hall E has taken to opening it first, in the way one greets a relative who always comes on the same train. Ref. CIBT-3024-CD88-8		
12 Mar	ATM withdrawal: New Orleans Sector	-172,800	372,863,771
	An earlier line showed the withdrawal at New Orleans Sector as 2 Standard days. The machine had paid out 0.980 day, which is the figure it uses, and the line has been re-entered in that unit so that the two agree. Ref. CIBT-3024-FF50-2		
20 Mar	Slippage fee (New Orleans Sector, 2 transfers)	-1,800	372,861,971
	You ask the relay to confirm each transfer by its own name, not by the sum, and the relay has agreed, though it has no record of ever having been asked to use names. Ref. CIBT-3024-DBDC-0		
27 Mar	Deposit: Hall E	+11,098,210	383,960,181
	The notes were the colour of a dry afternoon, the Teller observes, and were counted accordingly, which is as much as the Bank asks of any deposit. Ref. CIBT-3024-7409-3		
31 Mar	Interest at 4.60% APY	+1,425,102	385,385,283
	The interest on the New Orleans Sector portion is set by the local office in days and sent to us by relay, with a short note in the local hand. The officers read the note aloud to each other, for practice, and then file it with the figure it explains. Ref. CIBT-3024-23E3-2		

Closing balance, month by month

April 3023 March 3024

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
