Date	Description	Amount (s)	Balance (s)
14 Aug	Payroll credit: Harbourfront Shipping	+1,443,371	291,284,300
	Wages from Harbourfront Shipping, credited after the wage rule rounded them down to the whole second. The fraction left over, 0.981 of a second, is carried to your next credit and rounded the same way there; it is not lost, and the rule has never said why it is always the smaller figure that wins. Ref. CIBT-3028-BCA1-2		
15 Aug	Deposit: Hall E	+263,483	291,547,783
	Each deposit is wrapped in the same brown paper, folded at the corners, and you have never explained why. The officers unwrap it for you at the counter, neatly, and wrap it again when you leave. Ref. CIBT-3028-07DE-5		
26 Aug	Slippage fee (São Paulo Sector, 5 transfers)	-1,500	291,546,283
	Your employer's payroll office sends its transfers from a clock set two seconds ahead of ours, so each crossing from Harbourfront Shipping arrives early and is charged for the difference. The office has been told. It replies that it is paid on time and that the seconds are the Bank's concern. Ref. CIBT-3028-B4B8-5		
30 Aug	ATM withdrawal: São Paulo Sector	-86,400	291,459,883
	Cash-time withdrawals at São Paulo Sector are rounded to the nearest five seconds, which is the machine's only concession to tidiness. The withdrawal shown was rounded down by two, and the two have been credited back. Ref. CIBT-3028-53EA-3		
31 Aug	Interest at 4.60% APY	+1,111,056	292,570,939
	Posted to the second floor by mistake, where the account's file had been taken for a reading, the interest was brought down with the file when the reading was finished. The reading found nothing that was not already on the page. Ref. CIBT-3028-749F-9
