Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
58,605,757 s	**+2,360,244 s**	**-585,693 s**	**60,380,308 s**

Date	Description	Amount (s)	Balance (s)
05 May	Payroll credit: Ganymede Heights Infirmary	+629,155	59,234,912
	The wage was held for 30 Standard days at Venus, while Ganymede Heights Infirmary and the Bank agreed on when the pay period ended. It was then paid in full, with the interest a held wage collects. Ref. CIBT-3003-8427-1		
14 May	Transfer to joint account	-377,493	58,857,419
	Rhea Drummond called the transfer adequate and you called it on time. The Teller wrote down both words, since the account has never needed a third. Ref. CIBT-3003-9E0D-0		
18 May	ATM withdrawal: Venus	-172,800	58,684,619
	A copy of the sample is kept in a tobacco tin that has never held tobacco in the Committee's own room, and it agrees with the one in the ledger. Ref. CIBT-3003-67C7-9		
25 May	Temporal Health Plan	-30,900	58,653,719
	The plan held your claim for 29 days during a review of the provider's billing. The billing was found to be in order, and the claim is paid in full, without a late fee. Ref. CIBT-3003-D4B4-6		
27 May	Slippage fee (Venus, 5 transfers)	-4,500	58,649,219
	This transfer waited 31 days because a fault in the relay's locking gear held it. The gear has been replaced, and the fault has been recorded against the relay rather than the transfer, which was sent on time. Ref. CIBT-3003-B53F-8		
30 May	Deposit: Hall E	+1,550,388	60,199,607
	You write the sum in words before you write it in figures, and the figures come out a little smaller in your hand than the words. The officers record this as diligence, which it is. Ref. CIBT-3003-FEE1-5		
31 May	Interest at 3.70% APY	+180,701	60,380,308
	The interest for 30 days was kept in a sleeve that has been mended at the seam twice until the rate could be confirmed, and was then posted at the rate in force on each of those days. Nothing is owed on the wait, the interest having accrued to the account throughout. Ref. CIBT-3003-C008-7

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
