Date	Description	Amount (s)	Balance (s)
03 Jun	Mech Veterans' Time Pension	+51,834	14,370,966
	The statement for 3011 showed the pension in days, which it was. The rate printed beside it was the rate for the year before, which it was not. The rate has been amended and the sum left alone, which is how the Office prefers to correct things. Ref. CIBT-3012-CB62-5		
05 Jun	Slippage fee (Luna, 5 transfers)	-3,000	14,367,966
	No slippage fee was taken on this transfer. The clocks at Hall E and Luna showed the same second throughout, for the length of the transfer, which the Clock Standards Board has asked us to describe as a coincidence and not a policy. Ref. CIBT-3012-71AE-6		
16 Jun	Temporal Health Plan	-24,822	14,343,144
	You sign each claim form in pencil and go over the signature in ink on the way out, having been told once that the plan prefers ink. The plan prefers both, and has never said so in writing. Ref. CIBT-3012-C7BD-4		
25 Jun	Deposit: Hall E	+1,703,759	16,046,903
	The 0.30 s counter fee has been waived. The envelope was returned to you once for a missing signature, and the Bank regards a second trip to the window as its own inconvenience. Ref. CIBT-3012-D579-1		
27 Jun	Transfer to joint account	-96,568	15,950,335
	The Bank rounds joint transfers to the nearest whole second, never to the tenth, a rule the holders were told at opening and asked to accept. They accepted it and have not raised it since, which the Teller regards as the account's temperament. Ref. CIBT-3012-5198-3		
30 Jun	Interest at 3.60% APY	+42,957	15,993,292
	The interest on your last statement was printed at the Luna rate and not the Head Office's, because the teller copied the rate from the notice on the wall. The notice has been corrected. The interest has been restated, and the difference of 50 seconds is shown as a credit below. Ref. CIBT-3012-0AFF-1
