Account 8564-5372-7708
Period 1–31 January 2998
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
2,941,565 s	**+1,110,377 s**	**-477,363 s**	**3,574,579 s**

Date	Description	Amount (s)	Balance (s)
04 Jan	Mech Veterans' Time Pension	+57,314	2,998,879
	You have drawn your pension in cash, in the same denominations, every month since 2997, and the officer who counts it out has stopped asking which you would like. Ref. CIBT-2998-091E-3		
04 Jan	ATM withdrawal: Vancouver Sector	-172,800	2,826,079
	You have never drawn the same sum twice from the machine at Vancouver Sector, though you draw from it every month. The officers have a theory about this and have agreed not to test it. Ref. CIBT-2998-7D59-3		
08 Jan	Temporal Health Plan	-41,763	2,784,316
	Harbourfront Shipping covers 2 of the 4 sessions at Vancouver Sector, and you pay the rest. The plan notes that the split is the employer's idea, and that it has no view on the matter. Ref. CIBT-2998-9F65-4		
18 Jan	Slippage fee (Vancouver Sector, 4 transfers)	-3,600	2,780,716
	The crossing was held at the Vancouver Sector relay for 29 Standard days because the relay had been asked to show its clock to an auditor, and the auditor had asked to see it twice. Ref. CIBT-2998-2B85-5		
20 Jan	Deposit: Hall E	+1,041,297	3,822,013
	Pay from Harbourfront Shipping was credited to 8564-5372-7708 on the 20th, two days before the employer's own ledger shows it leaving. The employer calls this a clerical kindness, and the Bank has accepted it as one. Ref. CIBT-2998-9602-9		
25 Jan	ATM withdrawal: Vancouver Sector	-259,200	3,562,813
	Rounding on a withdrawal runs in the machine's favour for the first sum of the day and in the holder's for the last. Yours was the last, so the 0.974 left over was returned to 8564-5372-7708 in full. Ref. CIBT-2998-494A-6		
31 Jan	Interest at 4.80% APY	+11,766	3,574,579
	The branch has no record of who first asked for interest to be calculated in seconds rather than days. The teller says it was a customer, and that the customer has since been paid. Ref. CIBT-2998-8481-3		

Closing balance, month by month

August 2997 January 2998

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
