Period 1–30 June 2999
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
13,504,170 s	**+231,337 s**	**-557,942 s**	**13,177,565 s**

Date	Description	Amount (s)	Balance (s)
09 Jun	Mech Veterans' Time Pension	+64,204	13,568,374
	While the Pensions Office waited for the last veterans in the Hall E district to draw theirs, this pension was held 30 days, so that the sums could be counted against one another. Yours was among the last, and it arrived on the morning it was due, having been counted in the same van. Ref. CIBT-2999-BAA8-3		
16 Jun	Payroll credit: Harbourfront Shipping	+113,117	13,681,491
	The Teller reads the Harbourfront Shipping figure aloud, then reads it again in case the first reading was a courtesy. It was not. The sum is 113,117, and both readings agreed, which is more than the remitter ever managed. Ref. CIBT-2999-6A49-9		
19 Jun	Temporal Health Plan	-18,265	13,663,226
	Your claim for a fall on the 19th gives the cause as, in the claimant's words, the most punctual thing that happened all week. The plan agrees the timing was unhelpful and has paid in full. Ref. CIBT-2999-B0D7-8		
20 Jun	Transfer to own account: Lagos Sector	-280,477	13,382,749
	The bench in the Hall E lobby belongs to the lobby, not to you, and the Bank's surveyors have been asked to confirm it. The upkeep charge of 0.30 s is paid anyway, because you asked for it to be, and the bench has never once been empty when you arrived to sit on it. Ref. CIBT-2999-5CD0-7		
23 Jun	ATM withdrawal: Lagos Sector	-259,200	13,123,549
	The receipt for the 23rd was not printed until 28 days later, because the printer at Lagos Sector had to be told the paper was dry. The printer has since been told it is dry, and has not been happy about it. Ref. CIBT-2999-5A7A-9		
30 Jun	Interest at 4.80% APY	+54,016	13,177,565
	The rate on this account was the same for 3 periods running. The Rate Committee took that for a clerical error, and the auditors took it for settled practice. The rate was checked, and it is correct. The Committee has agreed to stop writing to the account about it. Ref. CIBT-2999-8776-1

July 2998 June 2999

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
