Date	Description	Amount (s)	Balance (s)
05 Aug	Payroll credit: Harbourfront Shipping	+113,117	12,443,756
	Pay for 28 days was held at Svalbard while the employer's office agreed its own calendar with the Bank's. The two calendars agreed on the 5th, and the credit followed the same afternoon. Ref. CIBT-2999-98A7-4		
13 Aug	Temporal Health Plan	-25,223	12,418,533
	Your reading glasses are reimbursed on the 13th of each year under a standing claim, and the lenses have changed 7 times since 2997 while the claim has stayed the same. The optician has asked that the plan note the glasses are still the same glasses, which the plan has done. Ref. CIBT-2999-9D1D-3		
19 Aug	Mech Veterans' Time Pension	+56,742	12,475,275
	The pension went through on the night the relay carried the schedule, which it does at an hour the relay prefers. The paying desk opened at the usual hour and found the money already there, and the clerk regards that as the system behaving as designed. Ref. CIBT-2999-C23B-5		
23 Aug	ATM withdrawal: Svalbard	-259,200	12,216,075
	The machine at Svalbard was closed for repairs that morning, and the cash was counted out at the concourse counter instead. The counter's stamp is on the receipt, and the fee is charged at the machine's rate, which the counter had adopted. Ref. CIBT-2999-82B3-4		
25 Aug	ATM withdrawal: Svalbard	-259,200	11,956,875
	The relay between Svalbard and the branch passed this withdrawal on with a note that read "as before". The Bank took it to mean the same instruction as last month, and the withdrawal was carried out on that footing. Ref. CIBT-2999-AB90-7		
30 Aug	Transfer to own account: Svalbard	-469,993	11,486,882
	The adjustment was requested on the 30th and agreed on the 30th of the following month, because the form was held at Svalbard while a second signature was sought. The request is dated from the first day and the adjustment from the second. Ref. CIBT-2999-8E7B-7		
31 Aug	Interest at 4.80% APY	+49,322	11,536,204
	The Bank has come to read your interest line the way a clerk reads the same letter every month: quickly, and with the pleasure of finding nothing new. Ref. CIBT-2999-BDFB-1		

Closing balance, month by month

September 2998 — August 2999

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
