Date	Description	Amount (s)	Balance (s)
08 Oct	Payroll credit: the Europa Ice Authority	+2,782,042	410,432,966
	You ask the officer to read the deduction line of the pay slip aloud at the counter, and then to read it again, and then to write the figure in the margin. The officer does so every month, to the second, and says the figure each time as though it were the first. Ref. CIBT-2995-DA1B-5		
20 Oct	Temporal Health Plan	-19,249	410,413,717
	Your premium is drawn by standing order on the 20th of each month, and has been drawn on that day since 2994. The plan now posts it a day early as a courtesy, and has asked whether you would like the courtesy extended to the cover as well. Ref. CIBT-2995-F26C-8		
25 Oct	Turbulence Cover	-9,352	410,404,365
	You pay the premium each month at the counter in cycles, the coins being the only currency the carrier takes on the outer run. You ask, each time, whether the change is still good, and the clerk says that it is. Ref. CIBT-2995-2F99-1		
25 Oct	Transfer to own account: Ganymede	-30,426,510	379,977,855
	The sundry was countersigned by an officer whose name appears in the register in 2990 and again in a later year, in the same hand, with no record of any transfer between the two. The officer has been asked, and says the hand is not hers. The countersignature stands. Ref. CIBT-2995-1C67-2		
31 Oct	Interest at 4.30% APY	+1,460,749	381,438,604
	For one month, at the request of the Europa Ice Authority, your interest was paid into the firm's own account so that its treasury could see what a depositor's second looks like in practice. The treasury returned it on the 31st with a note of thanks and no comment on the figure. Ref. CIBT-2995-34D5-1
