Opening balance	Credits	Debits	Closing balance
373,575,945 s	**+4,120,689 s**	**-6,690,676 s**	**371,005,958 s**

Date	Description	Amount (s)	Balance (s)
03 Jan	Payroll credit: the Europa Ice Authority	+2,782,042	376,357,987
	The Europa Ice Authority office at Callisto sends its pay in cycles on the sixth day of that world's week. The remittance waited in an alcove where the staff leave their umbrellas until the local office confirmed that the week had been kept, and it is credited on this statement. Ref. CIBT-3000-6E70-1		
05 Jan	ATM withdrawal: Callisto	-86,400	376,271,587
	The cash tray at Callisto is weighed by hand on the first of each month and found to be the same weight as the day before. The tray is taken to be working. Ref. CIBT-3000-355A-7		
12 Jan	Temporal Health Plan	-20,729	376,250,858
	The plan noticed that you pay the premium before the reminder is sent. No reminder has gone out since 2999, and the reminder template has been given to the members' newsletter, which has used it to good effect. Ref. CIBT-3000-D9F8-6		
13 Jan	ATM withdrawal: Callisto	-259,200	375,991,658
	The Callisto machine pays in cycles and reports in seconds. Your withdrawal of 259,200 was entered 28 days after it was made, when the local day had caught up with ours, and the sum did not change in the meantime, which the Bank regards as the machine's chief virtue. Ref. CIBT-3000-0927-5		
19 Jan	Transfer to own account: Callisto	-6,305,067	369,686,591
	The Europa Ice Authority sent a sundry refund of 6,305,067 in your name, and the Bank has asked the firm whether it means you to keep it or to explain it. The firm has replied that it cannot say which, and the refund stands. Ref. CIBT-3000-6039-5		
28 Jan	Turbulence Cover	-19,280	369,667,311
	The premium falls due on the day of travel, which the Teller points out is also the day the policy is most needed. The Teller considers the timing exactly the wrong way round and entirely sensible. Ref. CIBT-3000-3622-0		
31 Jan	Interest at 4.30% APY	+1,338,647	371,005,958
	Vito Hightower says interest is paid for patience and not for performance, and that a statement of it is therefore a form of thanks. The thanks is itemised to the second. Ref. CIBT-3000-70A5-6		

Closing balance, month by month

February 2999 — January 3000

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
