Opening balance	Credits	Debits	Closing balance
551,635,853 s	**+1,976,695 s**	**-8,134,039 s**	**545,478,509 s**

Date	Description	Amount (s)	Balance (s)
17 Jan	Transfer to own account: Luna	-8,008,291	543,627,562
	The sundry is rounded down to the whole day, and the 0.957 is returned to you as a sundry of its own. It is the only sundry on this year's statement that costs nothing to receive. Ref. CIBT-3012-CBC8-4		
22 Jan	Slippage fee (Luna, 2 transfers)	-600	543,626,962
	The fee was charged in seconds. The officer says that is the right unit for a crossing and the wrong unit for an apology, and that the relay has not yet offered one. Ref. CIBT-3012-362E-2		
24 Jan	ATM withdrawal: Luna	-86,400	543,540,562
	The auditors sampled this withdrawal from the machine's log. It was authorised, paid out and receipted in the right order, which the auditors note is more than they can say for the queue. Ref. CIBT-3012-0BA7-2		
27 Jan	Turbulence Cover	-7,233	543,533,329
	A queue of twelve at a turnstile was entered on the 27th as a single event. The underwriters paid it as 46 minutes, counting the queue as turbulence because its members were all facing different ways. Ref. CIBT-3012-464D-4		
28 Jan	Temporal Health Plan	-31,515	543,501,814
	Your 10 sessions at the clinic on Luna were billed on the 28th of each month, and each month the plan has paid them within 31 days. The plan regards this as the most punctual arrangement on its register. Ref. CIBT-3012-43E8-6		
31 Jan	Interest at 4.30% APY	+1,976,695	545,478,509
	The rate printed on the statement for the 31st was set in a smaller type than the rest of the line, and the depositor took the small figure as the true one for a fortnight. The type has been enlarged, and the rate is the same as it was. Ref. CIBT-3012-6727-2		

Closing balance, month by month

February 3011 January 3012

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
