Period 1–30 November 3003
Branch Hall E, Pallas Ring 10
Clock Pallas Ring 10 local

Opening balance	Credits	Debits	Closing balance
54,412,671 s	**+827,082 s**	**-1,772,870 s**	**53,466,883 s**

Date	Description	Amount (s)	Balance (s)
03 Nov	Transfer to own account: Phobos	-1,464,205	52,948,466
	Note for the auditors: this item and the one on the 3rd are the same 1,464,205, paid by the same depositor from the same branch on different days. Both are genuine. We have no explanation for the second and have not been asked for one. Ref. CIBT-3003-1DB3-2		
13 Nov	Payroll credit: the Europa Ice Authority	+479,133	53,427,599
	The Authority's levy on the Europa Ice Authority wage was taken at the reference second, which the Authority set after the wage had been paid. The difference of 0.30 s has been credited to this month, and the Bank has not been asked to explain the order of events. Ref. CIBT-3003-A717-2		
20 Nov	Turbulence Cover	-21,186	53,406,413
	Your employer, the Europa Ice Authority, insures its delivery runs under your policy, and the premium is shown here once. The delay of 13 minutes on the 20th was counted once too, however many of its runs it touched. Ref. CIBT-3003-B060-4		
21 Nov	Mech Veterans' Time Pension	+171,108	53,577,521
	A decimal point on the 21st line was printed a place too far left, which made the pension look like tenths of the usual unit. The point is back in its place, the sum is the one you were owed, and the printer has been asked to find the point and return it. Ref. CIBT-3003-6AB8-9		
27 Nov	Transfer to joint account	-287,479	53,290,042
	Reconciled in both directions to 8564-6805-6994, the joint account agrees to the second on every line since 2998. The auditors describe this as the ideal, and note that it is rarely found. Ref. CIBT-3003-A558-5		
30 Nov	Interest at 3.90% APY	+176,841	53,466,883
	The statement reached you 30 days late, because the interest had been credited before the period it belonged to had been opened. The Bank has put the dates in order, and the figures shown are the ones it carried. The statement was held on the stair, where the officers swap their slips while this was done. Ref. CIBT-3003-4214-1		

Closing balance, month by month

Highest 58,595,056 s · lowest 37,574,212 s

December 3002 November 3003

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
