Date	Description	Amount (s)	Balance (s)
06 Mar	ATM withdrawal: New Orleans Sector	-259,200	232,289,296
	Some months the relay takes so long to answer at New Orleans Sector that the cash is paid before the question has been finished, and the Bank has no rule about it. Ref. CIBT-3003-D7E5-3		
07 Mar	Transfer to joint account	-708,740	231,580,556
	A joint share is posted as one sum and divided on arrival. A sum that falls exactly on a half second is posted to the account as a whole, and the Bank has never been asked which holder it belongs to. That has lately led to some discussion at the counter. Ref. CIBT-3003-498C-0		
08 Mar	Temporal Health Plan	-21,795	231,558,761
	A child born on the 8th was added to your cover from the hour of birth, under the infant clause, and the child's premium is worked out from the child's own day, which began 43 hours after yours. Ref. CIBT-3003-B479-8		
19 Mar	Transfer to own account: New Orleans Sector	-15,834,648	215,724,113
	Your sundry charge for days has been paid in a cough-drop tin that is mostly coins, which the Teller has agreed to count and return without ceremony. The sum is 57 units. The container stays at the counter for next time. Ref. CIBT-3003-C258-4		
24 Mar	Slippage fee (New Orleans Sector, 4 transfers)	-1,200	215,722,913
	St. Catherine Bakeries asked the Bank to hold its remittances until the Head Office was quiet, which it is for 54 hours each Standard week. The fee on the held transfers is the fee for the quiet hours, and the firm has asked that it be rounded down to the nearest quiet hour. Ref. CIBT-3003-48B0-0		
31 Mar	Interest at 4.20% APY	+813,919	216,536,832
	The Teller weighed the interest slip on the branch's paper scale, which is not calibrated for money, and reports that the slip is heavier than the sum it carries. She considers this a fair division of the work. Ref. CIBT-3003-5CBD-2

April 3002 March 3003

Balances accrue every second of every day by the Standard clock and are shown in Standard Galactic Seconds. Transfers between branches whose clocks disagree carry the slippage fee shown in the Daily Slippage Report for the day of transfer. Deposits are insured by the Temporal Deposit Insurance Corporation up to 10,000 years per depositor, per epoch.
